Colours of *joy*

Welcome to the '**World of Panorama**' – where colours transcend boundaries and paint stories of beauty, diversity, and endless inspiration.

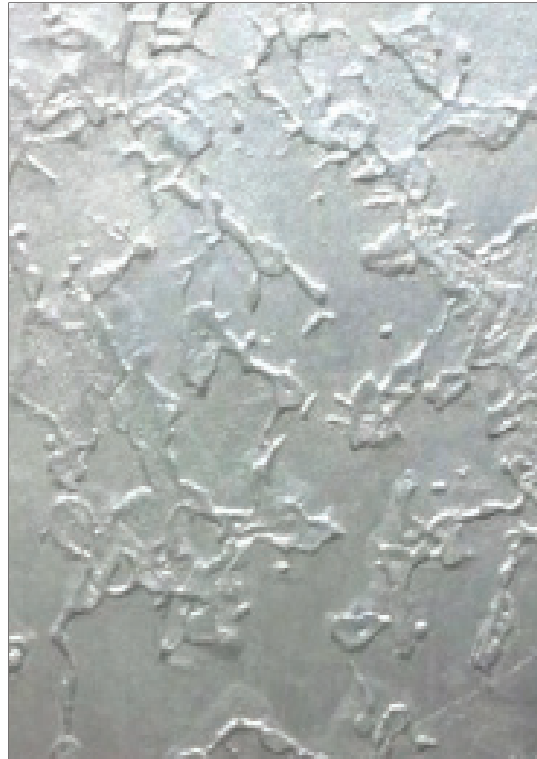

We understand that colours are not merely pigments; they are storytellers, evoking memories, emotions, and aspirations. With this in mind, **JKMaxx Paints** embarked on a quest to curate a palette that speaks the language of creativity, diversity, and global interconnectedness.

The '**World of Panorama**' is more than a collection of textures; it's a testament to the kaleidoscopic beauty that graces our planet. Inspired by the awe-inspiring magnificence of nature's landscapes, the vibrant cultural expressions, and the vivacity of urban life, this catalogue encapsulates the myriad emotions and inspirations drawn from every corner of the world.

Velvetino

A texture that creates an unusual silk-like effect and ensures an extraordinary beautiful luminescent metallic look, adorning the walls with the touch of elegance.

Stucco Veneziano

Stucco Veneziano is the lost ancient Venetian art popular amongst the Romans and Greeks. This European renaissance art provides a smooth three dimensional finish to accentuate a royal aura. It is silk smooth to touch and provides an ancient painting like effect. It transforms sedate walls to a luxurious polished Italian marble look.

Stucco Veneziana

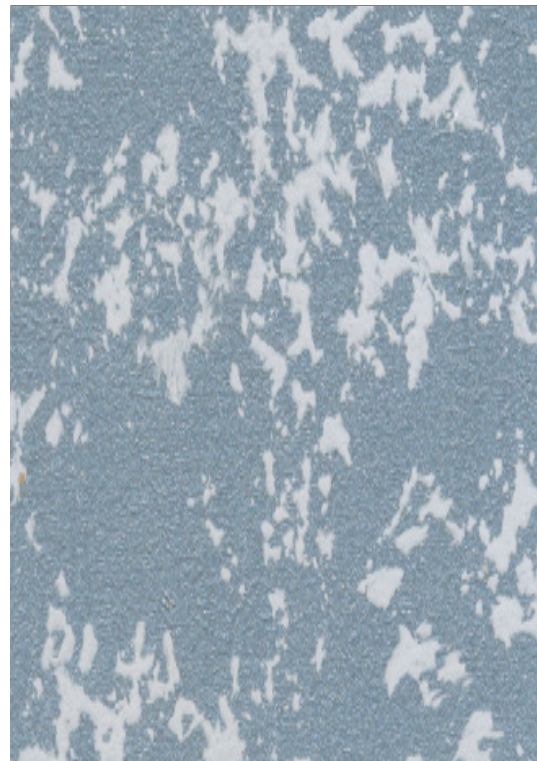

Sorrento

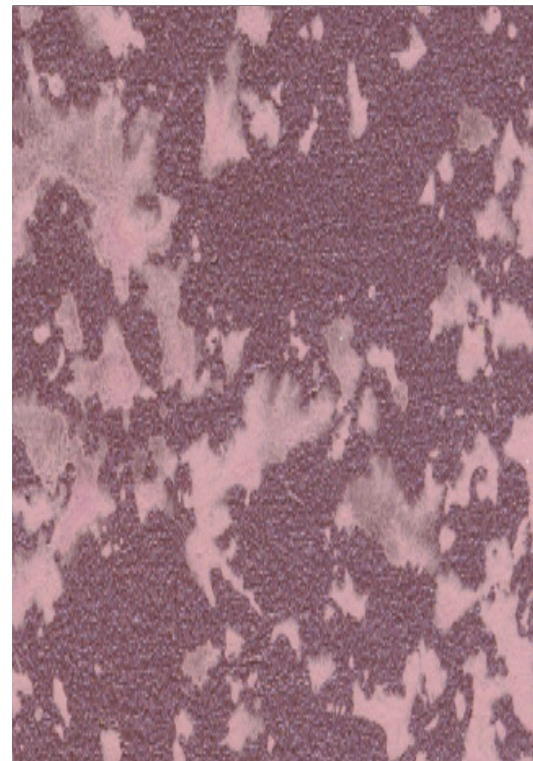

Sorrento represents the neo-classical finish to enamour the mind with dazzling Pearl Damasco effects. It resembles the silken velvet used in the Palaces and Villas of the royalty during the European renaissance period. The effects can be accentuated or toned with the play of lighting.

Decorica

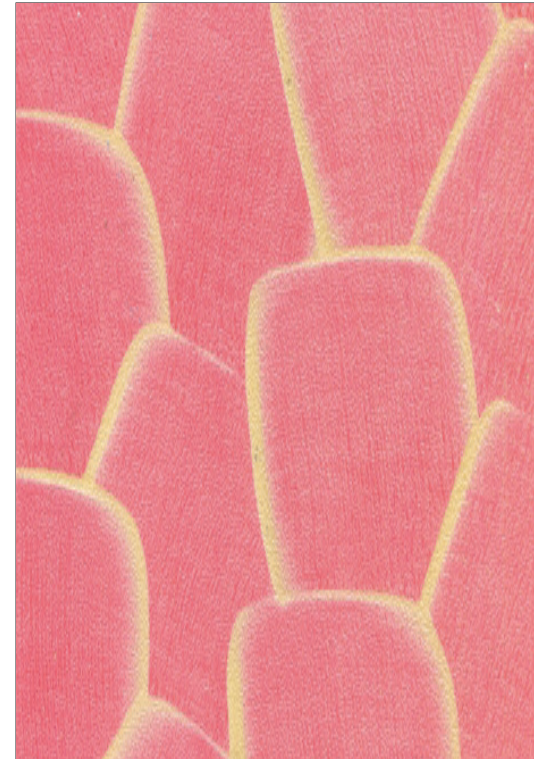

Decorica is a special multi effect designer finish. It takes the inspiration from the world underwater and aims at transforming the wall with exotic metallic, faux & mother of pearl effects. The use of different application tools like Tampon, Sea Sponge, Combing, Trowel, Brushes, Wood tools, etc. by expert applicators provide a magical effect to bland walls.

Pearl Skin

Pearl Skin turns drab areas into an exotic work of art. Enchanting designs are created by expert applicators in Mother of Pearl, Reflective and Metallic colours. The play of light reflects a spectrum of colours to accentuate the finish. A favourite of designers to make walls stand out. Available in soothing and dazzling shades.
