inspired by a world where elegance meets innovation, where
timeless artistry converges with contemporary design.
Drawing inspiration from nature and its unparalleled sense of
style and craftsmanship, this curated selection of stone
finishes promise to transform any space into a haven of
sophistication and luxury.

ROCKART

Sublime fusion of nature's rugged beauty and sophisticated artistry. This exquisite stone finish exudes an air of timeless elegance, reminiscent of windswept dunes under a golden sunset.

CERRAGRANITE

Embodiment of luxury grounded in the primordial forces that shaped our planet. Its resolute surface stands as a testament to endurance, while its aesthetic allure evokes a sense of timeless grandeur.

ACROSPRAY DEWS

A marvel born from the artistry of nature, invites you into a realm where stone meets the delicate touch of morning dew.

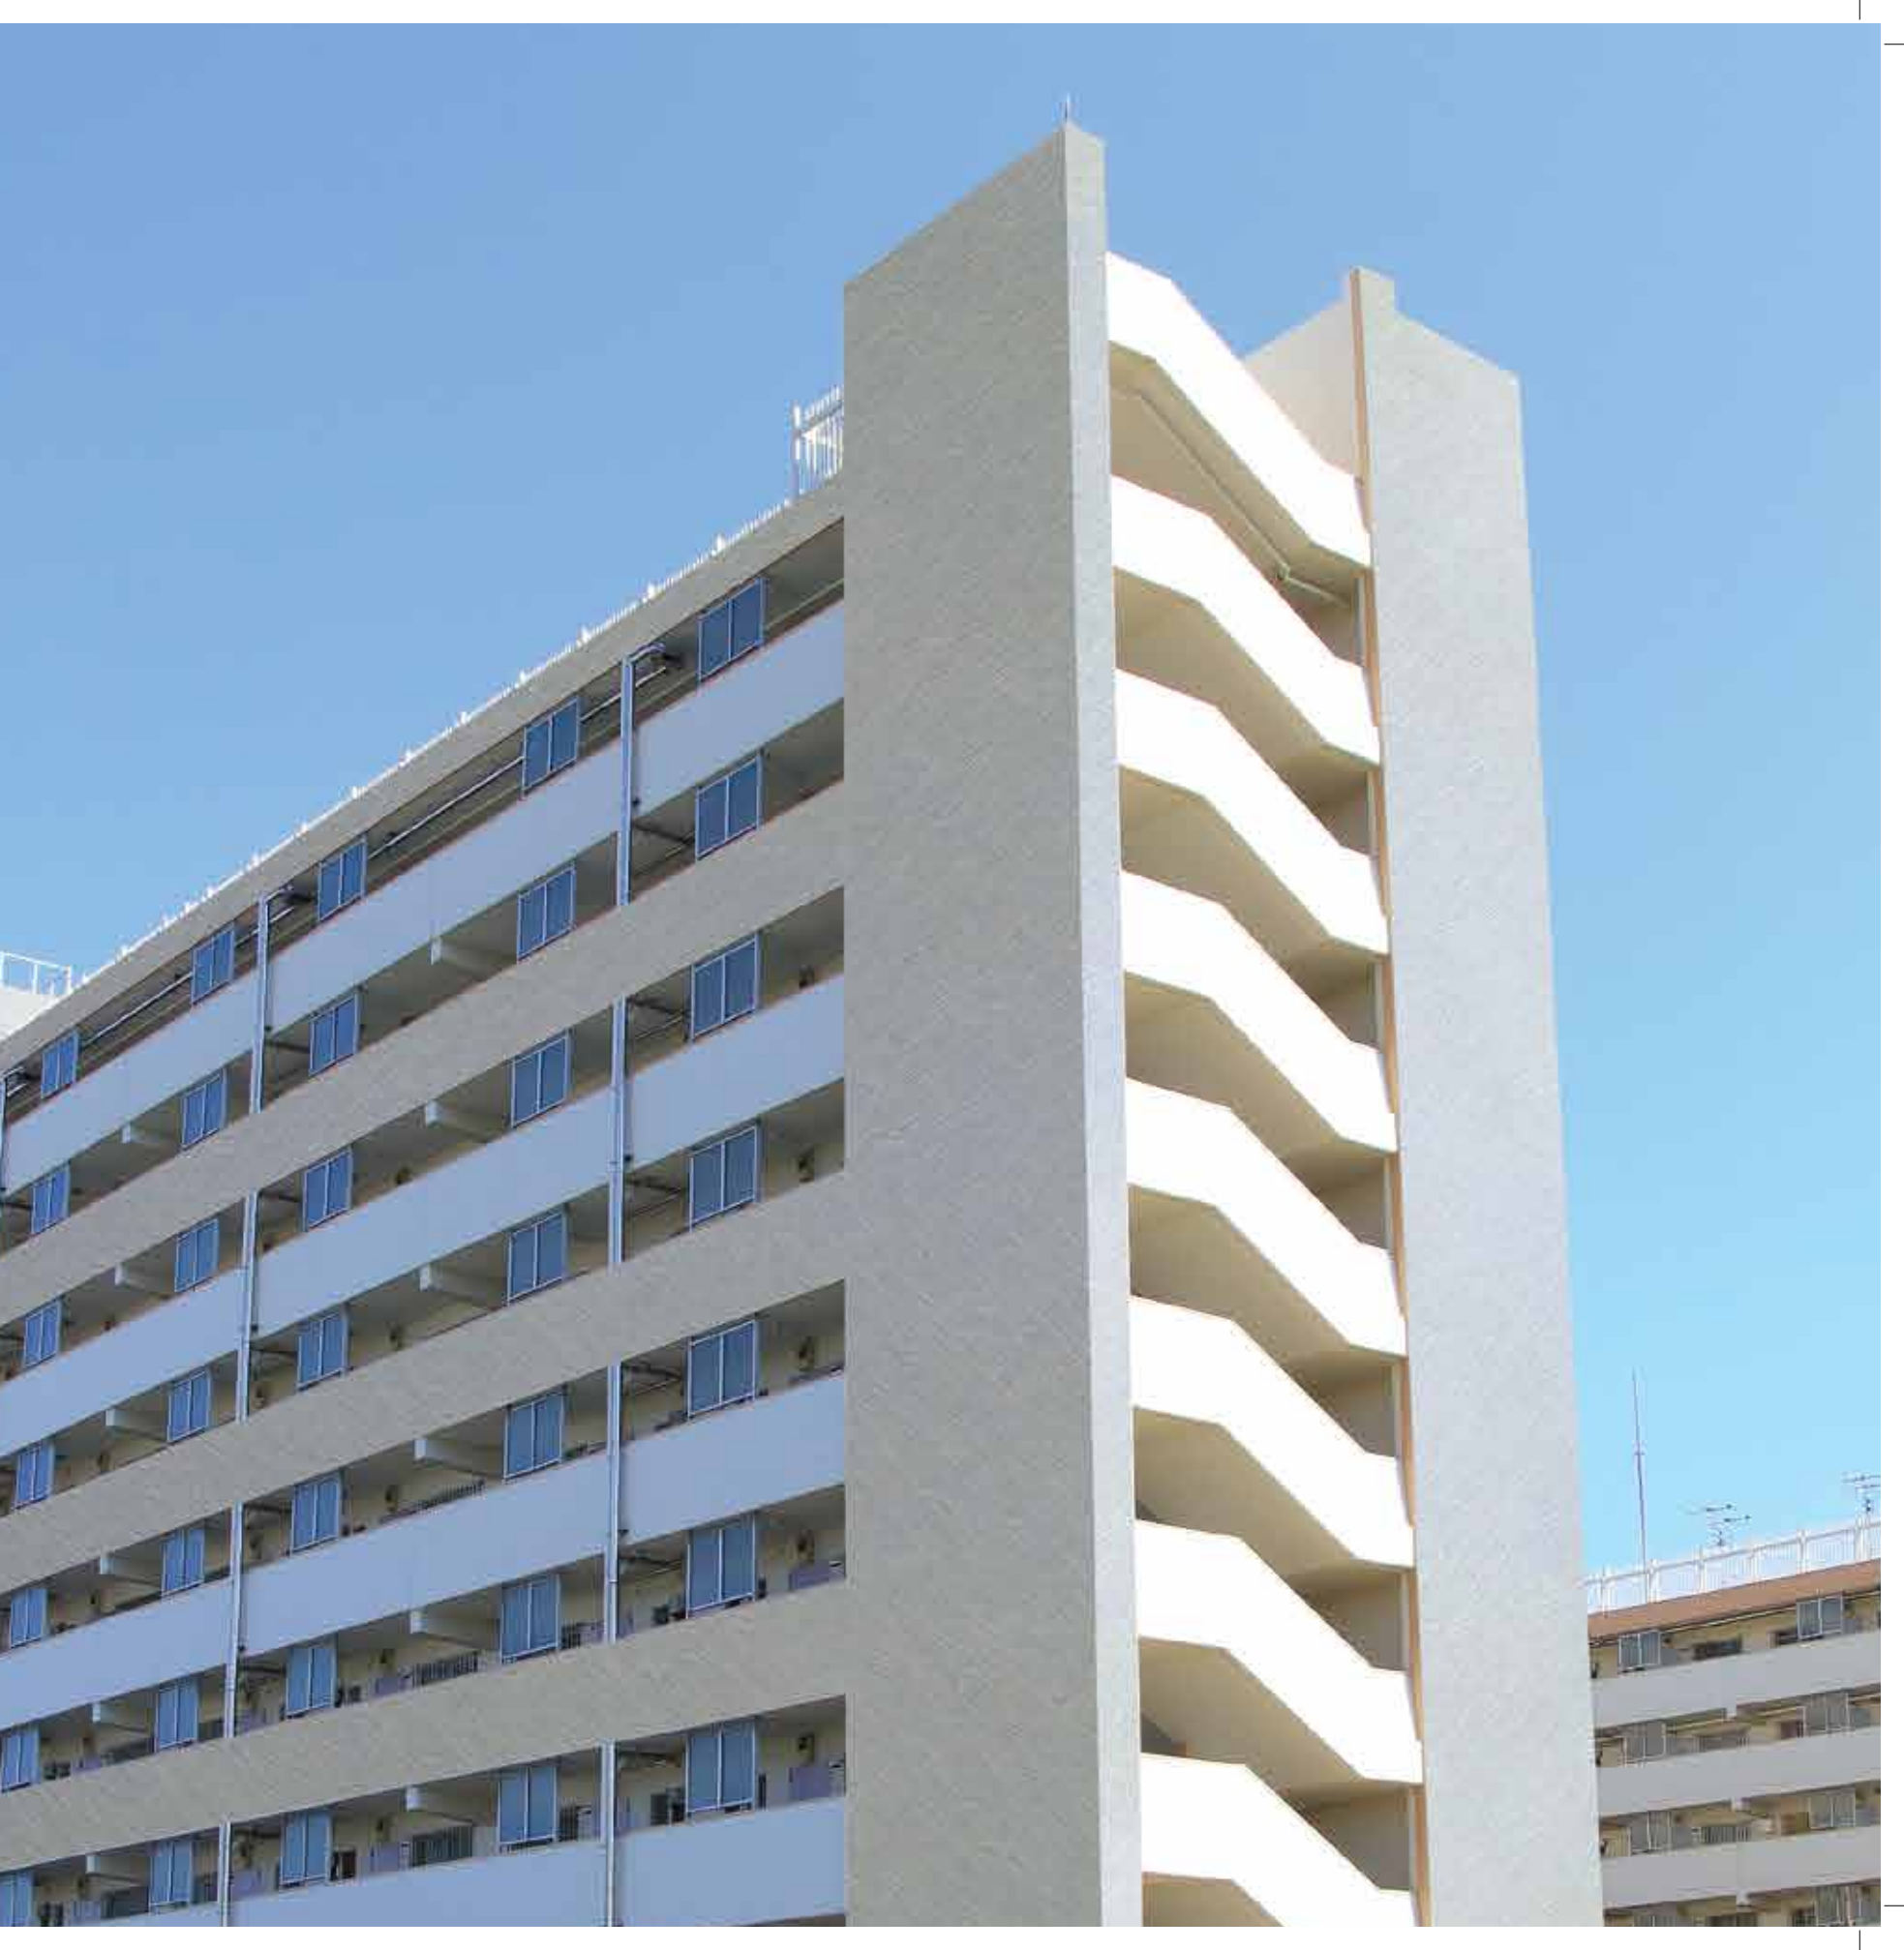

This ethereal stone finish captures the essence of a crisp dawn, infusing spaces with a serene beauty that transcends the ordinary.

RUSTIC FINE

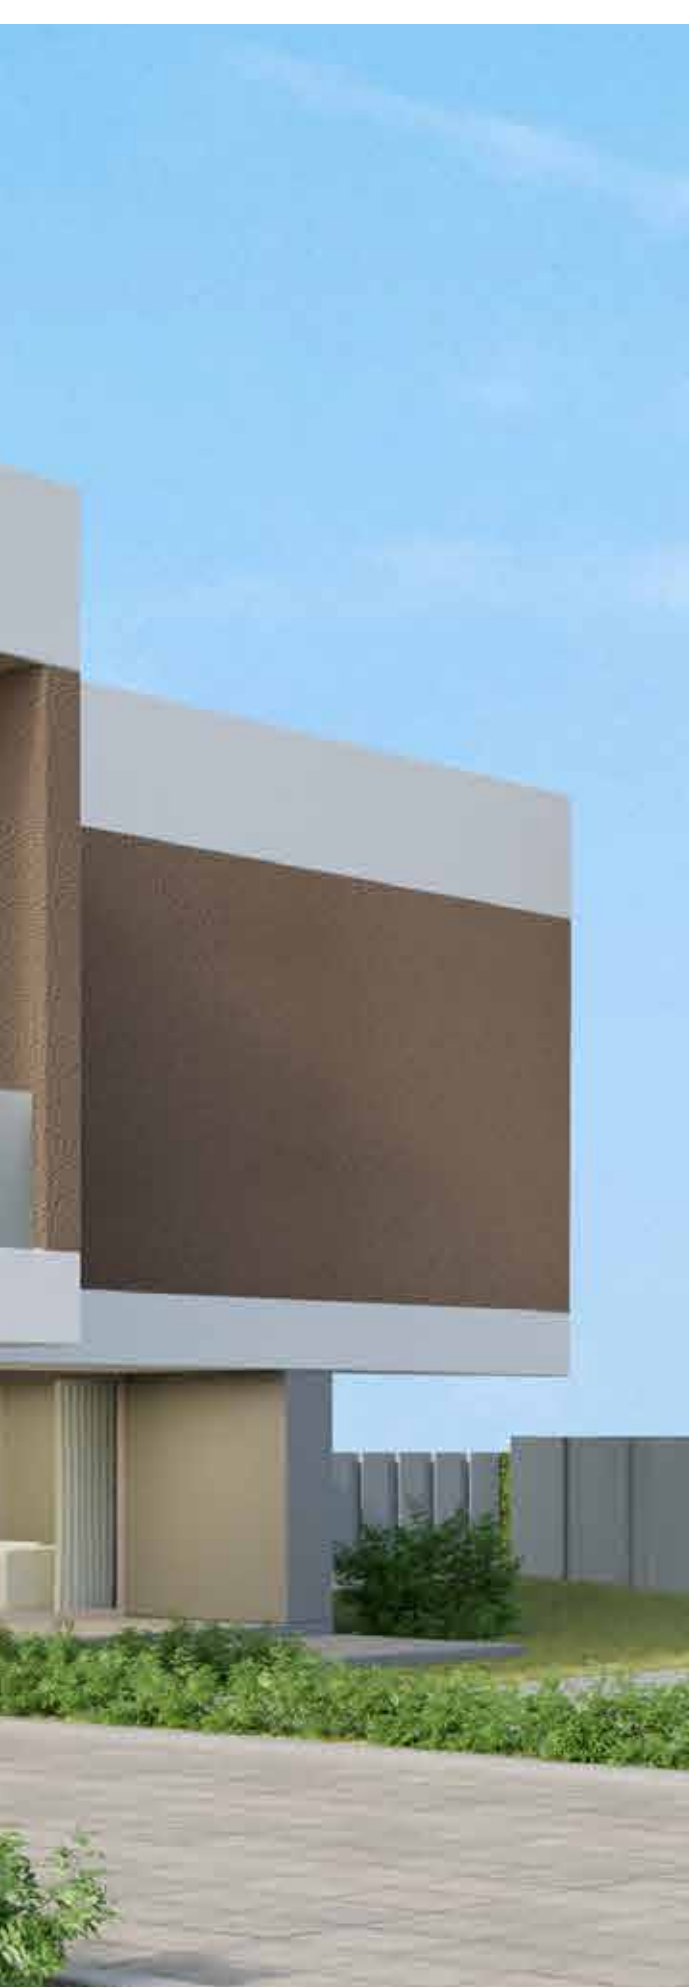

As your fingertips trace the surface, you'll discover a rich tapestry of textures that tell stories of the elements and the passage of time. The surface bears the marks of a well-worn path, reminiscent of ancient cobblestone streets and the enduring character they bring to historical landscapes.

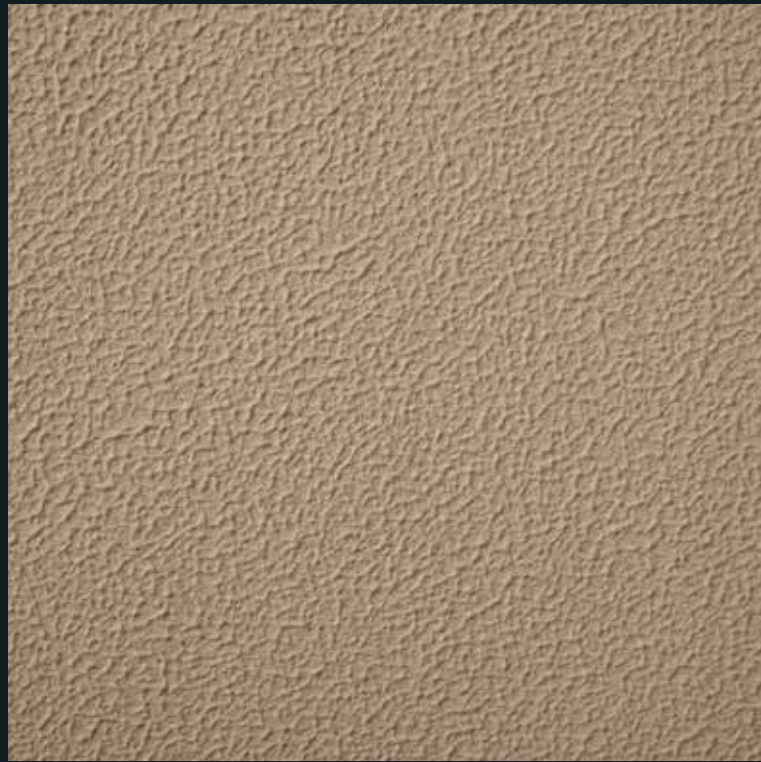

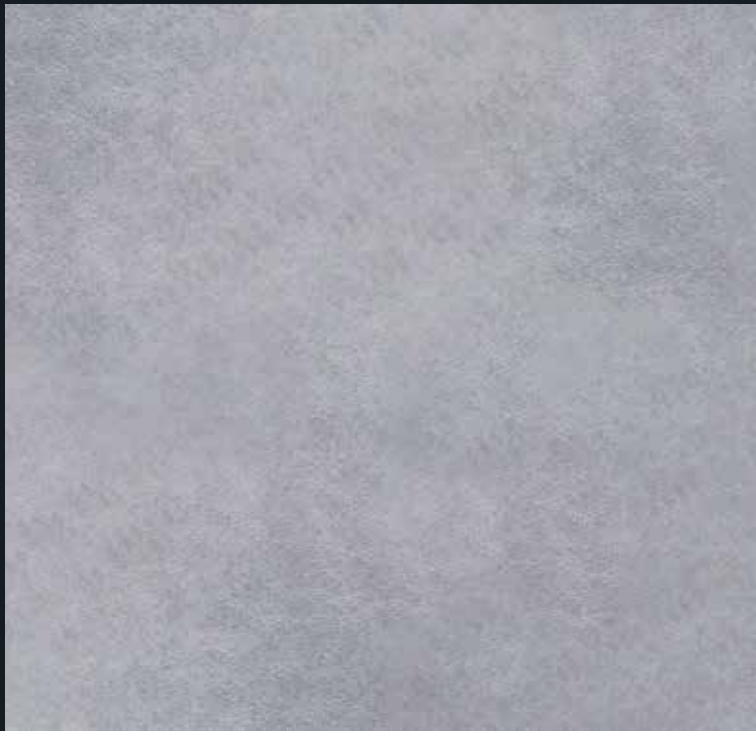

SUPERFINE

Interplay of light, reveals its true brilliance. The surface reflects light with a gentle sheen, creating a luminous effect that adds depth and dimension to any room. It transforms spaces, infusing them with an air of sophistication that is both modern and timeless.

ROCKSPRAY

Embark on a journey of elemental beauty with 'Rock Spray', a stone finish that captures the untamed essence of nature's rugged landscapes. This distinctive finish brings the raw energy of natural rock formations to life, embodying the dynamic interplay between strength and fluidity.

GRAPHISTONE

An artistic expression that challenges conventions and invites you to redefine your space with a touch of contemporary allure. It's a visual symphony where organic charm meets the precision of modern artistry.

SCRATCH JUMBO

A finish that defies convention with its bold and daring personality. This distinctive surface is not just a testament to strength and durability; it's a canvas that wears its resilience proudly, showcasing the beauty found in the marks of time.

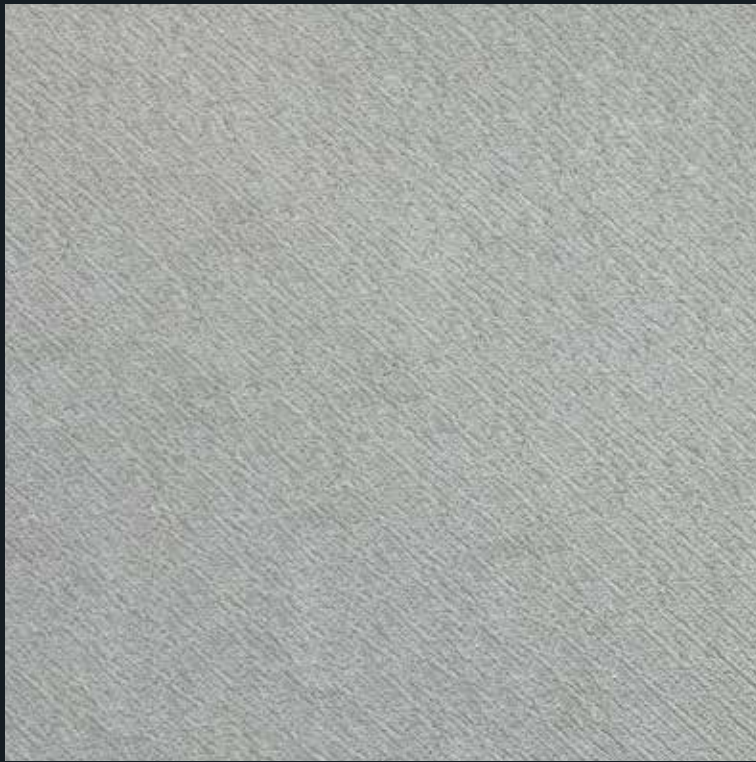

MARMA CASTELLO

A homage to the earthy tones that ground ancient fortifications, blending deep, noble grays with hints of warm, sun-kissed beige. This harmonious interplay of texture creates a canvas that seamlessly integrates into spaces both classic and contemporary, bringing a touch of noble history to the present.

ROMA ART

A stone finish that embodies the artistic spirit of ancient Rome, bringing the grandeur of classical architecture and timeless elegance into the heart of your living spaces.

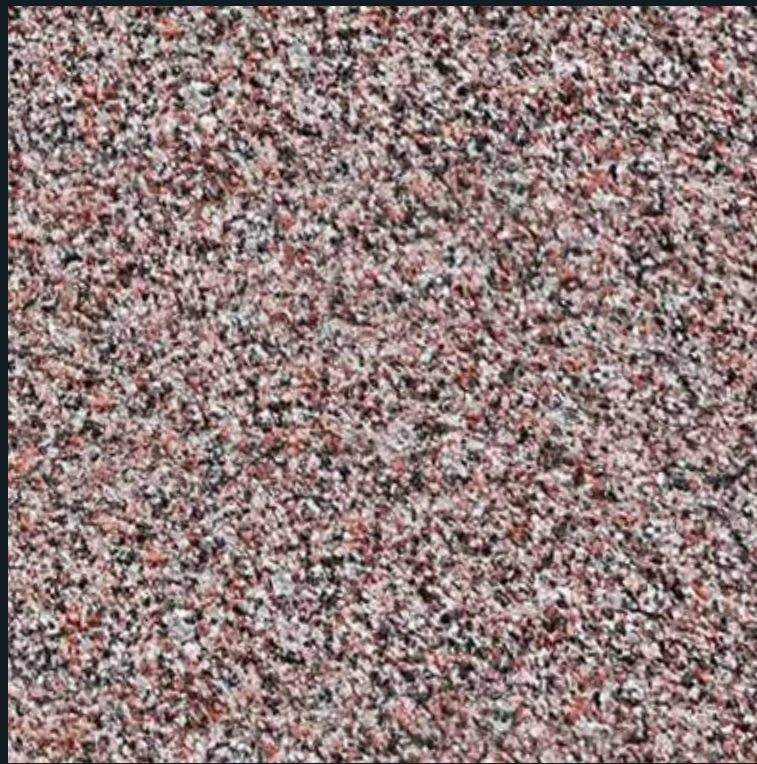

ELEGANTILE

A canvas that transforms every space into a sanctuary of classical elegance. Elegantile takes on a luminous quality, reflecting and refracting light in a dance of brilliance; elevating your surroundings with an aura of exquisite radiance.

ELEGANCE STONE

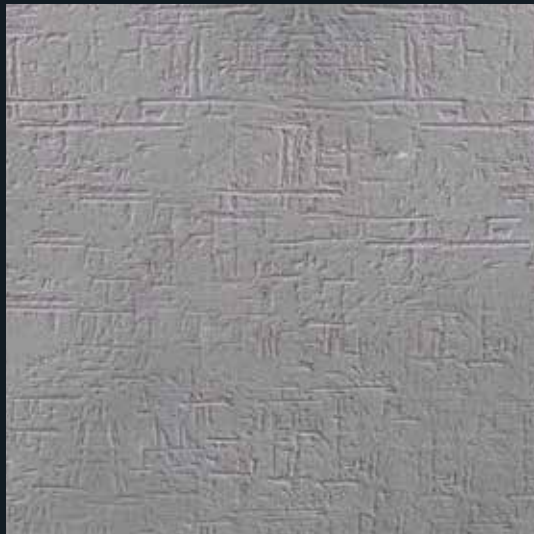

A name that encapsulates its essence. It is a stone finish that transcends the ordinary, inviting you into a world of refined beauty and timeless sophistication. This surface is not just a finish; it's an embodiment of grace and understated opulence.
